

**Minutes of an Extra Ordinary Meeting of Stanford Dingley Parish Council held on  
Monday 27<sup>th</sup> July 2021 at 7.30pm.**

**Present:** Cllr. H. Fullerton (Chairman); Cllr. A. Bucknell; Cllr. C. Dent; Cllr. C. Plank; District Cllr. G. Pask; Mrs. H. Pratt (Clerk).

Five parishioners and former parishioners.

**1. Public Session.**

**1.1. 1913 Map of the Area.**

Mr and Mrs Townsend, former residents of Ingle Spring, returned a copy of a 1913 detailed map of the area to the parish. The map was found in the loft of Ingle Spring when they took ownership of it. It was agreed that the map could be framed and hung in the Clubroom once it has been studied by Stuart Logan.

**1.2. Overgrown Footpaths and Bridleways.**

It was noted that some of the Public Rights of Way (PROW) are completely overgrown and result in users having to walk through livestock.

**1.3. Light aircraft.**

Light aircraft are flying over the west end of the parish up to five or six times a day and it is becoming intrusive. It was asked what could be done about it.

**1.4. On street Parking.**

It was reported that parking in the lanes of Stanford Dingley is increasing, particularly around the pubs and making it difficult for larger vehicles to get through.

**1.5. WBC waste disposal service.**

The green bin (for garden waste) service has been suspended. It is understood that this suspension is due to the 'pandemic'. It was suggested that suspension of the service is a breach of contract. As a result of the suspension of the service, a reduction in next years charges for green bin waste is being considered. A benefit of the suspension of the service is that multiple trips to the tip can now be booked each week. It was suggested that food and garden waste should take priority over other types of waste collection.

**2. Apologies.**

Apologies of absence were received and accepted from Cllr. E. Hanrahan.

**3. Declaration of Interests.**

**3.1. Declarations of Interest in Agenda Items.**

Cllr. Dent declared an interest in application 21/01648/HOUSE for Roman Way as an immediate neighbour.

**3.2. Updates to the Register of Interests.**

There were no changes to the Register of Interests.

**4. Planning.**

**4.1. Planning applications sent to SDPC for consultation:**

**4.1.1. 21/01693/HOUSE – Ingle Spring.**

*Demolition of existing store, conservatory and utility room. Conversion of existing garage to kitchen. Erection of single-storey and two storey extensions to existing dwelling. Formation of bay window, and removal of existing chimney. Removal of 2 no. trees.*

Whilst the application was not viewed as controversial, questions were asked about the conversion of the integrated garage into living accommodation and possible future applications for a garage block.

The Clerk advised councillors that they have to comment on the application before them. The meeting was **closed** for members of the public to speak.

The applicant commented that the existing integrated garage is not large enough for a modern car. The existing derelict barn on the site is in a perilous condition and it is likely that it will be replaced in due course with garaging of some description.

The meeting was **reopened**.

It was unanimously agreed that SDPC has **no objection** to this application.

**4.1.2. 21/01648/HOUSE – Roman Way.**

*Conversion of barn/outbuilding to annexe and construction of carport, all to serve Roman Way.*

Concern was raised by councillors about this application for the following reasons: proximity and impact on the neighbouring, listed dwelling, Ducarts, highway safety due to the access being on a sharp bend where three entrances and a footpath already converge and whether in reality this is an application for an independent dwelling. From a planning perspective, the buildings to be converted are not redundant.

It was noted that SDPC must be consistent with its views on conversions of garages and car ports (the application for conversion of a carport at Bradfield Farm 21/00742/FUL was sited). SDPC is of the view that the parish needs smaller, low-cost properties.

The meeting was **closed** for members of the public to speak.

The proposed kitchen window will be less than 1m from the boundary with Ducarts, and the living room windows will overlook the gardens.

This application could set a precedent for converting every outbuilding into a dwelling. Given the location of the site, it could easily be sold off separately to Roman Way. The applicant has suggested that he has no intention of developing any plans even if permission is granted.

The meeting was **reopened**.

It was agreed that SDPC **objects** to this application.

**5. Date of next future meetings: SDPC: Monday 6<sup>th</sup> September at 7.30pm.**

There being no further business, the meeting closed at 8.30pm.
