**Present:** Cllr. H. Fullerton (Chairman); Cllr. A. Bucknell; Cllr. E. Hanrahan; Cllr. C. Dent; District Cllr. G. Pask; Mrs. H. Pratt (Clerk).

**1 Apologies.**

Apologies of absence were received and accepted from Cllr. C. Plank.

**2 Declaration of Interests.**

**2.1 Declarations of Interest in Agenda Items.**

There were no declarations of interest in any agenda items.

**2.2 Updates to the Register of Interests.**

There were no updates to the Register of Interests.

**3 Minutes of last meeting:**

**3.1 Parish Council meeting on Monday 6<sup>th</sup> September 2021.**

It was resolved that the minutes of the meeting of Stanford Dingley Parish Council (SDPC) held on Monday 6<sup>th</sup> September 2021 were an accurate account of the meeting and they were signed by Cllr. Fullerton.

**4 Management of Parish Council Assets.**

**4.1 The Club Room.**

Cllr. Dent believed that the roof tiles on the rear roof had been replaced.

Cllr. Bucknell's cleaner has agreed to clean the Club Room on an "as needed" basis.

Concern was raised about security of the hall and it was agreed that Cllr. Dent would purchase and fit addition locks on both external doors.

**4.2 The Village Field.**

The field is being used for dog training sessions and by the Church for parking when conditions allow.

The WBC Blossom into Spring project is expected to be supplying three Prunus Tai Haku trees (flowering cherry trees) to the parish, which it is intended will be planted in the Village Field. It was agreed that the trees would be planted as "feature trees" rather than in the hedge row. The Clerk will ask WBC for more details of planned timescales and the size of the expected trees.

Cllr. Dent asked whether he should continue to cut the far end of the Village Field or whether it should be fenced off and grazed. It was agreed that paths be cut around and through the area and the remainder will be left to grow.

No progress has been made with quotes for stock proof fencing with two strands of wire along the south and east boundaries.

**4.3 The Village Green.**

Cllr. Hanrahan has been trying to obtain quotes for a hard wood bench around the "Judas" tree, however there is a 70% variance in prices for hard wood. The bench in softwood is expected to cost in the region of £1,800. Cllr. Fullerton agreed to ask the McCurdy's for a quote.

Enquiries are also being made about who supplied the bench around the tree in the play area behind the Clubroom in Frilsham, which might be suitable.

**5 Planning.**

**5.1 Planning decisions made by WBC:**

**5.1.1 21/02046/HOUSE – Church View Barn, Back Lane.**

SDPC had **no objection** to this application which has been **approved** by WBC.

**5.1.2 21/01648/HOUSE – Roman Way.**

*Conversion of barn/outbuilding to annexe and construction of carport, all to serve Roman Way.*

SDPC **objected** to this application which has been **withdrawn**.

*Demolition of existing barn and replace with new 4-bed dwelling with 2 card sheds, alterations to existing access detail on land adjacent to Saffron House. Section 73 application to vary Condition 2 (Approved Plans) of previously approved application 18.03400/FULD.*

SDPC **objected** to this application which has been **approved** by WBC.

**5.1.5 21/00108/HOUSE – Saffron House.**

*The proposal is the erection of a three-bay oak framed garage to be used as a home office and undercover car storage.*

SDPC **objected** to this application which has been **withdrawn**.

**6 Parish Survey.**

The top two points raised by the parish survey are speeding vehicles and facilities for young people. There are a number of requests for a village shop, but there is unlikely to be sufficient trade for a shop to be viable. There was a discussion about whether the pubs might be willing to hold a small stock of consumable goods for locals and walkers.

The results of the parish survey will be presented to parishioners at a meeting in the Club Room on the afternoon of Saturday 22<sup>nd</sup> January 2022. How the results are presented will be agreed at a meeting on Monday 10<sup>th</sup> January.

**7 Sewer Flooding.**

There was no update from Thames Water.

**8 Traffic**

**8.1 WBC SID Portal.**

The Clerk has registered on the WBC SID portal. WBC needs to approve any locations where SID can be used and a risk assessment must be developed for each location.

The Thames Valley Community Speedwatch trial starts in West Berkshire on 3<sup>rd</sup> November.

**8.2 Speed in the Parish.**

Cllr. Bucknell has had the children's posters printed on Foamex boards. In addition, a number of warning signs have been purchased to put up around the parish about the various dangers on the local roads.

Some tractors are clearly going too fast through the middle of the village; there was a discussion about whether speed tracking could be used. A number of the drivers are also using their mobile phones whilst driving. Cllr. Hanrahan will have a conversation with Jeremy Plank.

**9 Reports.**

**9.1 District Councillor's Report.**

**9.1.1 Padworth Recycling Centre**

The recycling centre will be continuing with the booking system. However, due to abuse from Hampshire residents, residents of West Berkshire will be invited to register their vehicles to make the system easier to use.

### **9.1.2 Consultation on adult social care.**

WBC has started a consultation on adult social care which will be open until 3<sup>rd</sup> January 2022.

### **9.1.3 COVID rates.**

The increased COVID rates locally have caused the “Gold” meetings to be resumed on managing the situation. Rates have reached approximately 700 per 100,000.

### **9.1.4 WBC Chief Exec.**

The new chief executive of WBC, Nigel Lynn, started on Monday 18<sup>th</sup> October.

### **9.1.5 Traveller Issues.**

The potential traveller site on Lawrences Lane in Thatcham is subject to a retrospective planning application.

The traveller site on the A4 at Woolhampton was legitimately purchased, but has been extended; this too is subject to a retrospective planning application.

WBC needs to have a defined number of traveller sites within the area.

### **9.2 District Parish Conference.**

The main topic covered at the District Parish Conference was road safety and in particular speeding.

### **9.3 Stanford Dingley Events Committee.**

The Events Committee, is currently working reasonably well without a Chair, and want to organise events for the community. They do not want to manage and maintain the Club Room. It was agreed the existing Events Committee should be encouraged to reach out to the new residents for more members.

Volunteers will be invited to promote a greater use of the Club Room.

### **9.4 Dredge Gang.**

Due to the weather the Dredge Gang outing was postponed until 4<sup>th</sup> December.

The weeds on one side of the path adjacent to the Village Green have been sprayed. WBC produce a riparian ownership leaflet which details the duties of landowners adjoining water courses. A copy of the leaflet will be circulated to residents who are riparian owners.

### **9.5 Public Rights of Way.**

Footpath STAN 27/1 past the end of the blue pools is still very boggy. Cllr. Fullerton will find contact details for Cllr. Bucknell to contact Mr. Wolf, the land owner.

The opportunity to replace the stile with a kissing gate on BUCK 125/1, through Kings Copse, has been turned down by the owner on the grounds that it is more likely to enable cyclists to illegally use the route. It was agreed to revisit this next year.
